

Opa!
Authentic Greek Cuisine
Special Events Staffing

Serving Staff: Experienced Opa! servers and staff will provide comprehensive service for you and your guests, including service of all food and beverages. Event set up and breakdown is provided in our restaurants and at personal venues to suit your needs.

A personal server can be designated to your party for \$25.00 an hour.

Bartending Service: An experienced Opa! bartender will provide comprehensive bar service for your event. This includes all bar setup prior to the event, bartending service throughout the event, and the breakdown and cleanup of the bar following the event. If you choose to have a private bartender for your event, a minimum will be required and the amount discussed with the event coordinator. If the minimum will not be met, a bartender is \$25.00 per hour.

Event Coordinating Staff: In planning your event at one of our Opa! restaurants, an off-site location, or in a private home, you'll work closely with our experienced event staff to receive personalized attention for you and your event. Our event coordinator provides expert menu planning, management of logistical concerns, and dependable support in any and all questions and concerns you might have planning your special event.

Please contact our event coordinator to plan your next party. Opa!
